Such a conflict would arise when the employee, officer, or agent and any member of his or her immediate family, his or her partner, or an entity which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the Recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to sub-agreements. However, Recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the Recipient.

(b) A Recipient shall conduct its business in accordance with the laws and regulations of the country in which an activity is carried out.
